BIG BANG FOR THE BUCK!

The truck recently had a "In-Frame" Engine Overhaul. Everything works. The truck start right up. The top of the bed has been Kevlar Coated. The tires are all thick. Does not matter if you are looking for a Horse Hauler, Car Hauler, Boat Hauler, or need it for Business purposes; this will make someone an AWESOME HAULER.

It does have a scratch & paint chip here and there. Maybe a couple of rock chips in the windshield. Overall it is in EXCELLENT CONDITION!

We have both keys, keyfobs, and the owners manual.
