Vehicle Description

AutoPark Dallas is excited to offer you this BPT Turbo'd 2018 Subaru WRX STI with MANY Upgrades pushing 500+ Horses for sale! Here is the bread-n-butter of APD, that secret left swing that gets your unsuspecting victim that leaves your competition wondering what your housing under the hood. This Subaru WRX STI isn't your run of the mill STI as what is housed is a ton of modification love from the BPT 10cm Turbocharger to the Invidia Downpipe connecting to the Tomei ExpremeTI Exhaust. Visually you'll see no difference, but when this STI becomes a blur as your left in the dust knowing there was no competition you'll understand at that point this Subaru should not be looked at lightly. If the desire is a secret sleeper or a sick WRX STI then look no further than this Subaru parked in our indoor 16,000 Sq Ft Showroom located in Addison, Tx. amongst our inventory of 100+ other unique and luxury vehicles!
