Vehicle Description

AutoPark Dallas is thrilled to offer you this 2013 Rolls-Royce Ghost for sale! Few brands are as synonymous with ultra luxury as Rolls-Royce, so when the English manufacturer released a new model introducing the Ghost in 2009, the rest of the luxury segment took notice. Since then, the Rolls-Royce Ghost has continued to push the boundaries of the luxury segment - perfectly balancing the ultra luxury aspect of ownership as well as emphasizing more focus on the driver when needed, making it more of the 'drivers' Rolls option in a way that the brand had never accomplished prior. This particular 2013 Ghost comes hard loaded with nearly every desirable option available (and there are of course a lot of options to choose from). Such optional equipment encompasses the [Driver's Assistance System 1 & 3](#) to afford everything from [Lane Departure Warning](#) to [Heads Up Display](#) and [Night Vision](#), the coveted [Rear Theater Configuration](#) along with [Picnic Tables](#) and [Individual Lounge Seat Configuration](#) to complete the rear seat experience with full reclining rear seats, [Heated/Cooled Front and Rear Seats](#), [Panorama Sun Roof](#), and many more. As for appearance, the [English White](#) exterior over the [Seashell & Dark Spice](#) interior with [Piano Black Trim](#) create the perfect blend of classic luxury to bring that other worldly driving experience together beautifully - certainly one of our favorite classic color combinations! DO! NOT! HESISTATE!!! To swing by and check out this Rolls-Royce Ghost that we have parked here in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Unique / Modified and Luxury Vehicles!
