We are proud to offer you this 2012 Chevrolet

## Camaro 2LS 1969 Tribute with Many Upgrades for sale!

This 2012 Chevrolet Camaro 2LS is a tastefully modified example of what can be done with an iconic American machine. The 3.6-liter V6 engine under the hood produces 323 horsepower and 278 torques, all of which is put through a smooth, yet quick, six-speed automatic transmission with paddle shifters. A Gibson high-flow aftermarket exhaust converts all of the power coming out of the engine into a striking note that only increases the amount of attention that this car is certain to receive. And, with a rear wheel drive platform to deliver that power to the pavement, this car is wildly fun and exciting to drive.

To us, what's outside the car is just as important as what's inside it, and this custom Camaro 2LS is no exception to this rule. This muscle car comes equipped with chrome American Racing Special Edition wheels and is finished in a deep black with burnt orange racing stripes, a color combination as attention-getting and exciting as the rest of the car. This custom machine is given the image of the original muscle car that gave the Camaro its fame and recognition as an American icon, but there are several aftermarket twists to its styling, including custom front and rear bumpers, a custom trunk decklid, and custom front fog lights and rear taillights that all work together to give this car some of the features of the original Camaro, but newer.

### [LIST OF FEATURES & UPGRADES:](#)

3.6-Liter VVT V6 Engine
