Practical, efficient, reliable, and robust, our 2005 Honda Pilot EX-L AWD is ready to impress you. Motivated by a 3.5 Liter V6 that offers 255hp while paired with a 5 Speed Automatic transmission for easy passing. Our advanced Four Wheel Drive system provides near 22mpg and drives more like a car than a truck, with the crisp, predictable handling. Capable of seating up to eight passengers, this Pilot is not a small vehicle.

With Honda safety comes standard including multiple airbags, ABS and so much more. So if what you need more than anything is the family-friendly versatility of a minivan, with the security presented by an all-wheel drive and the higher seating position of an SUV, then give this Pilot serious consideration. In a world where many SUVs take up far more space than their utility justifies, and drink far more gas than their performance merits, the Pilot is a breath of fresh air.
