Vehicle Description

Awesome 2011 GMC Acadia Denali AWD for sale, this car is in great mechanical condition and runs and drives great. The GMC Acadia is a great car for a growing family, it has tons of space for passengers and is super reliable. The Acadia Denali comes with tons of great features like the nice touch screen radio display, Navigation, Bluetooth with hands free calling, AUX input, dual climate control, digital climate display, CD, AM/FM radio, great looking heated and A/C leather interior, tow package, power lift gate, cruise control, power mirrors, power locks, and power windows. The car does have some dings on it from a hailstorm it was caught in which is why I have it priced so well it is also the reason for the branded title but has sense passed mechanical inspection with flying colors. Give me a call or shoot me a text if you would like to come check it out. 247A
