Vehicle Description

Great looking 2013 Ford Focus ST for sale! This car is in great mechanical condition and runs and drives like a brand new car! The Ford Focus is a great commuter car that gets excellent gas mileage and is super reliable. The Focus ST comes with great features like the great looking radio display, Bluetooth with hands free calling, cruise control, interactive dash display, AM/FM radio, CD, AUX input, USB input, great looking interior, power mirrors, power locks, and power windows. The car does have some dings on it from a hailstorm it was caught in which is why I have it priced so well. Give me a call or shoot me a text if you would like to come check it out. 247A
