Vehicle Description

AutoPark Dallas is excited to offer you this modified 2009 Cadillac CTS-V Sedan for sale! Cadillac's CTS-V is not just the best American sport sedan in history; it's also one of the best in the world. Period. The signature beast of the Cadillac industry was introduced in 2004 and was quickly praised as a huge success on General Motors part. A GM super-sedan pushing 556-Hp stock from its 6.2L Supercharged V8, left competitors in 'aw' and us need-for-speed consumers asking for more! Our Black on Black CTS-V Sedan here at APD is equipped nicely from the factory and even modified with some aftermarket goodies to really let the audience know you mean business! If your search is for a fun high-performance luxury vehicle, then look no further than this CTS-V parked in our 16,000 Sq Ft Showroom located in Addison, Tx amongst our inventory of 100+ unique and luxury vehicles!
