Vehicle Description

Up for sale is my 2016 Subaru Forester XT Touring with just over 43k on the odometer. This car runs and drives like new, and is awesome in the snow! Great commuter car, comes factory with heated leather seats, dual climate, adaptive cruise control, lane assist, easy to use Bluetooth and anything else you might want. The car was previously in an accident resulting in a rebuilt title, but has since been repaired back to factory specifications using OEM parts and paint. It has gone through and passed all Utah safety inspections and is ready to go. Give me a call or shoot me a text if you would like to come check it out. 247A
