Vehicle Description

Awesome Clean Title 2012 Honda Odyssey EX-L for sale, this car is in great mechanical condition and runs and drives great. The Honda Odyssey is a great family commuter vehicle that gets great gas mileage and is super reliable. The Odyssey EX-L comes loaded with tons of great features like the nice radio display, back up camera, Bluetooth with hands free calling, AUX input, USB input, XM radio compatibility, great looking heated leather interior, digital climate display with dual climate control, cruise control, power mirrors, power locks, and power windows. The car does have some dings on it from a hailstorm it was caught in which is the reason why I have it priced so well. Give me a call or shoot me a text if you would like to come check it out. 247A
