Vehicle Description

Awesome No Accident 2011 Toyota Camry SE for sale, this car is in great mechanical condition and runs and drives great. The Toyota Camry is a great commuter car that gets excellent fuel economy and is super reliable. This car does have some dings on it from a hailstorm it was caught in which is the reason why I have it priced so well, it is also the reason for the branded title. The Camry SE comes with tons of great features like the nice radio display, AUX input, USB input, CD, AM/FM radio, XM radio compatibility, great looking interior, cruise control, power mirrors, power locks, and power windows. Give me a call or shoot me a text if you would like to come check it out. 247A
