Vehicle Description

Thanks for visiting Tom's Camperland. Please email sales@tomscamperland.com , call 480-894-1267 or stop by for a tour!

Thank you!

introducing the all-new Intech Sol Eclipse Rover!

CREATIVE SPACE

inTech is exceptional at making smaller spaces feel large. Utilizing what we call "Tilt –Forward Design", we have taken advantage of the unused space over the trailer's A-frame. The exterior profile delivers more space in the front and rear of the camper than any trailer in its class and delivers 6' 3" headroom at the peak. Sol Eclipse gives you room to move around without feeling confined.

EXTRAVAGANT FEATURES

Sol Eclipse outshines other campers in its class with the following features: Spacious dinette that seats up to 6 adults, large 7' awning, sizeable wet bath, luxurious kitchen with enormous farmhouse sink, commercial-grade faucet and two-burner LP stove with a cast iron grate.

LUXURY INTERIOR

Step inside Sol Eclipse and you'll see for yourself a level of luxury you won't find in any other camper in its class. Quality materials are used throughout and combined not only with our unmatched craftsmanship, but an eye for design and functionality. Sol Eclipse interior is so luxurious and inviting, you may never want to go home.

FULLY WELDED CAGE & FRAME CONSTRUCTION

Every inTech RV is built utilizing an all-aluminum, all-tube, fully welded cage frame. Aluminum is not only lightweight but will also not rust and our all-tube construction means we are using the strongest, longest-lasting materials available.

PANORAMIC WINDSHIELD

Sol Eclipse is unlike any other camper, featuring a massive 3-ply tempered glass panoramic front windshield. You won't find a better view of the great outdoors in any other camper!

PREMIUM AMENITIES

The intelligently designed kitchen includes a two-burner LP stove with a cast iron cooking surface, an enormous stainless steel farmhouse sink, and residential-style faucet. Sol Eclipse

Thanks for visiting Tom's Camperland! Please email sales@tomscamperland.com , call 480-894-1267 or stop by for a tour! Thank you!

Check out this Host Everest Triple Slide! Great shape!

generator/solar/electric jacks/triple slide/queen bed/dry bathroom/kitchen/dinette/rear sofa
