Vehicle Description

Great looking clean title 2015 Kia Soul + for sale, this car is in great mechanical condition and runs and drives like a new car. The Kia Soul is a great commuter car that has tons of space for its size and gets great MPG. The Soul + comes with tons of great features like the nice radio display, Bluetooth with hands free calling, AUX input, USB input, CD, AM/FM radio, cruise control, power mirrors, power locks, and power windows. The car does have some dings on it from a hailstorm it was caught in which is why I have it priced so well. Give me a call or shoot me a text if you would like to come check it out. 247A
