## Vehicle Description

This 2015 Ford Explorer sport AWD for sale! This car is in great mechanical condition and runs and drives great. The Ford explorer is a great family vehicle that has tons of space for passengers but also gets great fuel economy. The car does have some dings on it from a hailstorm it was caught in which is why I have it priced so well also the reason for the rebuilt title. The Explorer sport comes with tons of great features like the huge radio display, Bluetooth with hands free calling, AUX input, USB input, CD, AM/FM radio, Bluetooth audio, dual climate control, Heated and A/C seats, great looking leather interior, power seats, interactive dash display with vehicle monitoring, terrain selection dial, cruise control, back up camera, power mirrors, power locks, and power windows and remote start. Give me a call or shoot me a text if you would like to come check it out. 247A
