Vehicle Description

I have this great looking 2013 Mazda CX-5 Touring for sale, this car is in awesome mechanical condition and runs great. The Mazda CX-5 is a great family vehicle that has tons of space for passengers and is super reliable. The car does have some dings on it from a hailstorm it was caught in which is why I have it priced so well also the reason for the branded title. The CX-5 Touring comes with tons of great features like the nice touch screen radio display, back up camera, Bluetooth with hands free calling, AUX input, USB input, CD, AM/FM radio, navigation, cruise control, power mirrors, power locks, and power windows.. Give me a call or shoot me a text if you would like to come check it out. 247A
