Vehicle Description

AutoPark Dallas is thrilled to offer you this Blacked-Out 2013 Ram 1500 Express for sale! A truck amongst trucks that boast the simplicity that defines what it means to haul the family and camper through the mountains or the next major yard renovations. The Ram 1500 is not to be overlooked in the truck world, with the powerful 5.7L V8 HEMI pushing horses to the 395-hp with 407 lb-ft of torque this beastly 4x4 can line up at the greenlight next to some of today's sports cars if need be! A nice touch to our Ram here at APD is that a lot of the exterior trim has been blacked out to give a more aggressive look! If you are looking for a truck for the next project or just as a daily driver then look no further than this Ram 1500 parked in our indoor 16,000 Sq Ft Showroom located in Dallas, Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!
