Vehicle Description

AutoPark Dallas is thrilled to offer you this Texas Edition 2014 Chevrolet Silverado 1500 LT for sale! You can always lean on Chevrolet to provide us consumers with reliable truck that easily fulfills the needs of hauling any projects. Our 2014 Chevrolet here at APD is a Third-Generation Silverado, which stood out on the facts that it was quieter, smoother, and more power-efficient than previous generations. Even better is this Silverado is equipped with the 5.3L V8 instead of the 4.3L V6, so those horses can reach 355hp with 383 lb-ft of torque! Plenty enough power to haul the boat to the lake, a camper through the mountains, or that next project for the backyard! If you're on the search for a truck that can haul or just wanting a Silverado, then look no further than this Chevrolet parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!
