Description from the owner:

"Matching numbers 1960 Austin Healey 3000. British Motor Company Heritage Trust verified. Multiple award winning car: Third Place, All British Car Show, May 18, 1997; Second Place, All British Motor Vehicle Show, May 19, 2013. Rare 2 seater and first year of the Austin Healey 3000 (prior years were 100-6). Originally ivory white, it was painted in red with a white two-tone vinyl wrap (which can be removed if you desire an all red car).

Engine, transmission and rear end all rebuilt by prior owner who was a certified mechanic. New rear shocks, thermostat, hoses. New interior of black with red piping. Runs and drives great. Three owner car. First owner was a UC California professor who owned the car approximately 9 years (and sold it because he wanted to buy a Ford Pinto). Second owner (1970-2019) was certified mechanic. With the exception of a few years in Seattle, Washington, car spent all of its time in California."

Older restoration that still shows well. Good driver. Overdrive works great. I have added a couple of recent pictures of the car before the white vinyl was added to the sides.
