Nice Xterras are hard to come by, but here is one just for you! This 2 Owner accident free 2011 Xterra has less than 150,000 miles on it and just caught a full service including a new fuel pump, filter, oil change, alignment, and 132 point inspection. It has a clear bill of health and is ready to take on whatever it's next owner has in mind. The 4.0L V6, automatic transmission, and 4 wheel drive system combine with a short wheelbase to create one of the most capable off road SUV's on the market. While most of them have been abused, someone took great care of this Nissan and whoever ends up with it will feel quite lucky. Financing is available and trades are welcome, so call or click today!
