We are proud to offer you this 2009
Lamborghini Gallardo LP560-4 with Many
Upgrades and with RARE Super Trofeo SVR
Body Kit for sale!

This eye-catching 2009 Lamborghini Gallardo LP560-4 is the quintessential Italian supercar, and it has been taken to the next level with a long list of modifications. A 5.2-liter V10 engine that produces 553 hp and 398 lb-ft. of torque powers the car, delivering output to all four wheels through a six-speed E-gear transmission. To further enhance the spectacle of this aggressive icon, an Avior exhaust system has been fitted to the car, piping the scream emitted by this legendary power plant into the world. Finished in Arancio Borealis (orange) and equipped with a set of ADV.1 5.0 CS Series wheels in Gloss Black, this Gallardo has been specced to stand out in every way imaginable. What truly sets this fabulous Italian beast apart, however, is the rare SVR Super Trofeo body kit adorning its exterior. Complete with carbon fiber accents including a rear wing, rear bumper and diffuser, side skirts, and Superleggera-style side mirrors, SVR's racing-inspired body kit transforms this car from an angular supercar into a one-of-a-kind machine with motorsport pedigree. The theme of carbon fiber is carried into the Gallardo's well-equipped interior, which contains several pieces trimmed with the lightweight material, as well as diamond contrast stitching that parallels the color of the exterior.
