Vehicle Description

AutoPark Dallas is thrilled to offer you this RARE 2000 BMW Z3 M Coupe for sale! Fast, Reliable, and Unique looking the Z3 M is a bizarre collectors piece from a time period were everything was pure engine and not a care in the world for fuel mileage. That is the beauty of this BMW, as many may think when they hear that this tiny coupe puts out 240 horses not being enough power, but that is where they are wrong! This is thanks to the Z3 M built to put those horses into acceleration rather than the fuel mileage, with the assist of it obviously being a light-weight coupe! The coupe has looks that are timeless, the nickname "The Clown Shoe", and just coming a little over 10,000 produced in the 4-year run makes this Bimmer not only a MUST SEE but a MUST HAVE! If you looking for a piece of BMW history or a sick weekend warrior, then come check out this beautiful BMW Z3 M parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!

Howdy APD customer! We want you to be aware that THIS IS A REBUILT TITLE Z3 M, we at AutoPark Dallas NEVER sell rebuilt titles, BUT we fell in love with this Bimmer and just wanted to be able to offer it to our customer base. A fantastic piece of BMW heritage that was too cool to not give our customers a chance to own it! Please don't hesitate to give us a call if you have any questions, concerns, or wanting to set up a Pre-Purchase Inspection before purchasing this Z3 M!
