Vehicle Description

AutoPark Dallas is excited to offer you this modified 2015 Ford Mustang EcoBoost Premium sitting on MMD Wheels for sale! American made muscle with over 50+ years of production, its hard to say that any generation now a days in the US doesn't know what a Ford Mustang is. Every new Generation of Mustang gets nice change up that makes it more appealing to the crowds and with our 2015 Mustang here at APD being the 6th generation there are many new things! The obvious body style change up being more aggressive is a plus, but the inclusion of a EcoBoost engine makes a gas guzzler into a easy daily driver! This piece of American heritage is ready for the next ride out on the town, but for now this Pony is parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!
