This is a TRUE CarFax Certified 1-Owner 98 Ford Mustang SVT Cobra that has ONLY 66K ORIGINAL MILES! This car has never been in an accident and is in overall immaculate condition! This was a Florida car its entire life, so it hasn't been exposed to the salt/rust part of the US. It has ZERO rust! The paint looks awesome not having any dents, dings or scratches to speak of. The paint is not fading nor does it have any clear coat failure. The top is in great shape as you can see in the photographs. All equipment and options are in working order without issue. This vehicle was a garage queen. The rubber moldings and trim are in excellent condition not having the typical fading or dry rot. The interior is equally as nice not having ever been smoked in. There are not any rips, tears or stains. The leather is still soft and supple and hasn't been hardened by the

sun. The car has Pioneer Head unit equipped with Bluetooth and hands free while driving. The wheels are not all curbed up and look great! The tires have approximately 85% of the tread remaining. We just had a complete service/safety inspection performed by our local ASE Certified shop we use and this Included an EGR Pressure Sensor, Oil Change, and Timing Belt Cover Gasket in which we have receipts in hand for...Giving this vehicle a clean bill of health. The CarFax report can also be found on our website for FREE! This Mustang has a MagnaFlow Exhaust, an air intake, and Hotchkis Performance Suspension. Outside of those few items the car is completely factory. No internal engine work or anything like that has been done. The modifications were simply bolt on's and can be removed easily if desired. It has a great exhaust tone that is not to loud, and the car handles very well. The prior owner didn't abuse this vehicle in any way. Its been driven sparingly throughout its life and garage kept. These cars are tough to find with good mileage and especially 1-Owner Clean CarFax Mustangs. All equipment and options are in working order without issue. There are not warning indicator lights illuminated in the dash. The clutch has plenty of life left, and it simply needs nothing but a driver. Its turn key ready, no stone has been left un-turned. Give us a call with any questions @ 706-294-3431. As we have this vehicle for sale locally, and reserve the right to end the listing without notice.
