We are proud to offer you this 2010 Audi S5 Bagged with Many Upgrades for sale!

This 2010 Audi S5 Prestige is one of the most extreme and exciting performance coupes produced by Audi. Given a 4.2-liter engine that works in tandem with a crisp, smooth six-speed manual transmission, the S5 is designed to turn horsepower into performance figures. The 354 horsepower and 325 lb-ft. of torque produced in the engine are transferred to the pavement via Audi's patent all-wheel drive Quattro system, enabling the coupe to accelerate from 0-60 in just over five seconds. Where this car is truly unmatched, however, is in its handling capabilities. Audi gave the S5 a locking differential that makes cornering more exciting and the car more fun to drive than previous generations, and the sport suspension keeps the car balanced and highly manageable. This standard of high quality is carried into the interior, where you'll notice that every feature of this fantastic machine has been given the highest optioning possible thanks to its "Prestige" package. Included in this package is an infotainment display complete with Navigation and rear camera, a sunroof with slide and tilt functionality, and fourteen high-quality Bang and Olufsen speakers for maximum audio quality, among other details.

To us, what's outside the car is just as important as what's inside it, and this exciting Audi S5 is no exception to this rule. Fitted with limited aftermarket Vossen VLE-1 20" alloy wheels, put on air suspension "bags" and painted in an electric Sprint Blue Pearl, this performance coupe is an example of the continuation of performance heritage that only Audi can provide. Our S5 Prestige exceeds the expectations set by almost every Audi performance coupe built before it, and there's no limit to the performance capacity that it can achieve. Perfect for weekends at the track, cruising a coastal highway, driving to work every day, or anything in between, this coupe is the perfect car to put in your driveway.
