This Harley-Davidson is in Excellent overall exterior condition - ABS, <h3>2012 Harley-Davidson® Electra Glide® Ultra Limited</h3><p>The 2012 Harley-Davidson® Electra Glide® Ultra Limited FLHTK is a premium featured touring bike full of authentic Harley-Davidson® grand American touring style. Some of the bike's premium features include: air-cooled Twin Cam 103 engine for powerful performance, heated hand grips, titanium face gauges, Tour-Pak inserts, and special Ultra Limited identifier medallions. Also found on the Harley® Electra Glide® Ultra touring bike is a 6 gallon fuel tank so you have to stop less for fuel. Harley® has many other motorcycle touring bikes, all to provide you with comfort and style.</p>Features may include:CLASSIC FUEL TANK<p>Part of the unmistakable style of the Harley-Davidson® Electra Glide® Ultra Limited motorcycle is plenty of room for showing off your paint. This classically styled, bold six-gallon fuel tank doesn't just give you a bigger canvas for premium or custom paint; it holds six gallons of go so you can eat up a lot more road between pit stops. We know fuel economy is important—but so is style. A dual-color paint scheme, crisp pinstripes that run the length of the bike and special Harley-Davidson® tank medallions give this ride a one-of-a-kind look.</p>BAT-WING FAIRING<p>Designed by Chief Styling Officer Willie G. Davidson, the nimble, fork-mounted Bat-Wing fairing first appeared on the touring scene back in 1969. And it continues to evolve and symbolize the essence of Grand American Touring motorcycles more than forty years later. The full 8-inch windscreen gives it that classic touring profile and additional comfort. Simply put, the wind is not a factor for the mile-hungry rider who wants to soak up the freedom of the open road for days on end.</p>GTX® SADDLEBAGS AND TOUR-PAK®<p>These injection-molded hard bags have room for 2.26 cu. ft. volume of long-haul luxuries and a perfect surface for showing off some premium paint. Even better, these saddlebags open from the top, so your gear won't end up spilled all over the highway. They keep your fancy unmentionables dry, and the chrome latches won't corrode in bad weather. And when you're off the road, one common key starts the bike and gives you access to your saddlebags, keeping your pockets as uncluttered as your bike's classic design. The premium Tour-Pak® luggage carrier is an extra perk, keys and toll money. Rubber bottoms that keep the insides dry and clean, you're going to love this. We beefed things up by adding a big, mighty wheel with a low aspect ratio. That means the bike maintains its legendary tight turning radius - Contact The Internet Sales Department at 888-933-7674 or harley@usedharley-davidsonmotorcycles.com for more information. -
