The Project RUSHMORE CVO™ Road Glide Ultra® motorcycle would be in violation before your eyes even made it past the wicked lines of the fairing. The paint is too loud. The power from 110 cubic inches of Harley-Davidson® V-Twin engine with Ventilator performance intake is too loaded with temptation. You have been warned.</p>Features may include:Control<p>If your appetites run to big, gluttonous quantities of asphalt, we have your motorcycle. It's built by the perfectionists in Custom Vehicle Operations™, and it starts with the best of everything that makes a Harley-Davidson motorcycle work so well on the open road.</p>Infotainment<p>You want to spend a few hours talking woven carbon fiber cone woofers, then balances the level of bass and treble as well? We didn't think so.</p>Feel<p>We know that getting to the point in life where you have a Harley-Davidson CVO™ motorcycle in your garage takes some serious effort. So we pour our effort into making every mile you log on the bike feel like a giant reward.</p>Style<p>Let's cut right to the quick here. Center stage on a CVO™ motorcycle goes to the big Twin Cam 110™ engine, so it comes fully tricked out in deep, breathtaking chrome and Screamin' Eagle badging.</p><p>- Contact The Internet Sales Department at 888-933-7674 or harley@usedharley-davidsonmotorcycles.com for more information. -
