Vehicle Description

This Harley-Davidson is in Excellent overall exterior condition - ABS, <h3>2015 Harley-Davidson® Ultra Limited</h3><p>The farther you go on a motorcycle, the better it gets. Whether riding one, brighter Tour-Pak® luggage carrier lighting, brighter turn signals, brighter brake lights, and a steering head with stiffer front forks. Locked-up tires are now history even when there's wet pavement. We've made it feel even better to lean your way through a turn. Now you can see better. And we've made you more conspicuous to the cage-driving public. Because one thing we all agree on is this: bikes that work better make riders who ride better. Take a ride. See how good you can be.</p>Project RUSHMORE - Infotainment<p>More sound. Purer sound. Big, full-color touch screens. Switches that are located where you intuitively want them to be and can reach without removing your hands from the grips. Voice activation for your music, road and highway ever laid down in pavement. Experienced riders and passengers putting in long hours in the saddle and giving us feedback on every aspect that contributes to comfort on the road. Airflow, heat management, passenger space, back rests, seat textures, legroom and hand controls all went under the hard microscope of the road and got tested and re-tested by real riders and worked and re-worked by us until we were satisfied we had built the most comfortable machines on the road. We all want to go farther, and when you and your passenger are more comfortable in the saddle, as we've always done. As riders. Riding with other riders. Thousand of hours, countless road tests, millions of miles. Looking for the technology and innovations that truly make the ride better. We went over the bike fender tip to fender tip. Making it work better. Making it look sleeker. Modern. Clean. Tight. Let your eye take the journey over the machine. This is classic Harley-Davidson style and a sleek, modern look at the exact same time. At Harley-Davidson, form has always followed function. And both have always reported to emotion. Now we're just doing it on a completely different level.</p> - Contact The Internet Sales Department at 888-933-7674 or harley@usedharley-davidsonmotorcycles.com for more information. -
