Most of us can only remember dreaming and wanting a Harley Davidson Night Train. At least I know I did as a young man. Well, here is your chance too own one of the greatest Softails Harley-Davidson manufactured. We believe this Nigh rain to have a Engine hop up kit because she is fast. Drag specialty pull back drag bars for excellent handling. Which is complemented by its big beefy custom 16 inch front wheel. Matching sized front and rear tires that balances and makes this Harley Davidson night train ride like glass and provides great road absorption due to tires square setup providing more balance. Over the replaced skinny original 21 inch. Which gives the bike and the rider

which gives the bike and the rider excellent handling. A stage one has been performed and done on this night train using Arlen Ness big sucker breather kit. Vance and Hines short shot slash cut exhaust that provides the classic Harley growl that screams king of the road. So throw your leg over and see what freedom feels like.

Come see why Reeds Motorcycles is the original Adventure America destination right here in the mighty North Texas. Start your new adventure today and pick up the phone, let there be no delay! This bike is a Certified Pre-Owned Bike and eligible for financing.

We take most of all trade-ins from cars trucks, RVs, trailers, four wheelers, and ATVs if it's a vehicle and it's got power, we'll take it, but I guess that's not saying much because our old trade slogan is "if we don't have to feed or water it will take it in on trade". If you're on the road or at home, PICK UP THE PHONE, and talk to one of our Reeds Motorcycle family Member sales staffs to get you riding on a motorcycle today. Also don't forget about our Adventure America program that we started with a bang last year, which allows you the adventure of flying into the local airport DFW (20 min) away and riding out. So, when you call don't forget to ask how we participate in travel fare for Our Adventure America US program.

*Here at Reeds, we truly believe that it's not the motorcycle we're selling. It is a new lease on life and an American adventure that can*

American adventure that can  
be picked up and started by  
any individual that's looking to  
break out of the cracker box  
that society wants us to live in.  
We also believe it's never too  
late to harness and saddle  
your new Adventure.
