This Harley-Davidson is in Excellent overall exterior condition - Cruise Control, ABS, 2012 Harley-Davidson Road Glide Ultra The 2012 Harley-Davidson Road Glide Ultra FLTRU is a premium feature bike for your motorcycle travel. This bike will give you long-haul touring features and custom style including, the GTX saddlebags, Tour-Pak, large 17-inch front wheel, high output accessory connector, and comfortable motorcycle seat. An air-cooled Twin Cam 103T engine provides powerful performance for passing, climbing hills and riding with passengers and luggage. Also take note of the frame mounted Harley fairing offering you dual storage compartments plus wind protection for your motorcycle travel. The motorcycle seat on the Road Glide Ultra FLTRU gives comfort to the driver and any passenger. Features may include: CLASSIC FUEL TANK Part of the unmistakable style of the Harley-Davidson Road Glide Ultra motorcycle is plenty of room for showing off your paint. This classically styled, bold six-gallon fuel tank doesn't just give you a bigger canvas for premium or custom paint; it holds six gallons of go so you can eat up a lot more road between pit stops. We know fuel economy is important-but so is style. Sharp, eye-catching colors and crisp pinstripes that run the length of the bike from the Shark-Nose fairing to the premium GTX saddlebags-a one-of-a-kind look for any individual soul. SHARK-NOSE FAIRING The frame-mounted Shark-Nose fairing always leads you in the direction of the open road. With its twin headlamps, iconic style and unique attitude, while its integrated storage gives you a resting place for valuables you need to access easily during your journey. The headlamp shroud and windscreen trim add style to the fairing without straying from its legendary look. GTX SADDLEBAGS These injection-molded hard bags have room for 2.26 cu. ft. volume of long-haul luxuries and a perfect surface for showing off some premium paint. Even better, these saddlebags open from the top, so your gear won't end up spilled all over the highway. They keep your fancy unmentionables dry, and the chrome latches won't corrode in bad weather. And when you're off the road, one common key starts the bike and gives you access to your saddlebags, keeping your pockets as uncluttered as your bike's classic design. CUSTOM REAR TAILLIGHT AND FASCIA We keep the back end clean and no-nonsense with tri-line fender lights-a brilliant, unique taillight as the centerpiece-plus ground effects and a low mounted license plate with incandescent lighting for crisp visibility and style. This completes the custom, one-of-a-kind look. LARGE 17-INCH FRONT WHEEL If you crave long-haul agility on rides of all distances, you're going to love this. We beefed things up by adding a big, mighty wheel with a low aspect ratio. That means the bike maintains its legendary tight turning radius - Contact The Internet Sales Department at 888-933-7674 or harley@usedharley-davidsonmotorcycles.com for more information. -
