Mileage:	0

Vehicle Description

1966 FORD ANGLIA SUPER

1300 cc Fuel Injected Engine

Chassis# BB22FJ97257

This 1966 English Ford Anglia Super has been part of a collection owned by a gentleman here in North Florida and he has raced the car since 1966.

The owner of the car has written a description of the car which we have included below. Contact Nolan with questions.

- CALL NOLAN @ 904 382 7230 -

PREVIOUS OWNER'S DESCRIPTION:

This American version Anglia (LHD) was built from a street Anglia Super in 1965-66 by the owner while living in Clearwater, Florida. Its first race was in SCCA C-Sedan at Palm Beach International Raceway in 1966. It was continuously improved during 1966 and placed in enough national events to be invited to the SCCA run-offs held at Riverside, California (The American Race of Champions).

In 1967 the owner raced in several national events and then the Sebring 4-Hour FIA Trans Am held on Friday, just prior to the 1967 12-Hour race. The Anglia qualified 4th in the 1000cc-1300cc class behind (way behind) the factory Hopkirk Mini Cooper and two factory Lancia Coupes. The car DNF'd with five minutes to go, while running fourth.

It ran in the SCCA Nationals and Regionals during the remainder of 1967, winning the Florida Region C-Sedan Championship and another invitation to the run offs. The owner moved to Jacksonville from Clearwater in early 1968 where after running one event at the Fernandina Beach Airport course, the car was retired. She was stored in various locations around Jacksonville until 1991, when after discovering vintage racing, the owner restored her to 1966 FIA Group 5 Trim. She raced in numerous events on the east coast and finally in 1993 finished 3rd in class in Sebring, in the Vintage Event held in conjunction with the 12-Hours event, 26 years after her first unfinished Sebring.

In mid-1995 the original car (1960-chassis #105E 39161) was totaled after a flip and then being hit by another car in a separate incident. The car was restored with the 1st replacement shell (1965-chassis #BB22EG781191) and returned to racing in August 1996, where the first event was Lime Rock Historic, 30 years after its first race. In the 2nd race in 1997, just after another Sebring, the left rear axle broke, causing a violent end over end multiple flip accident, again destroying the complete body shell. Restoration was begun again in mid 1997 and completed using the 2nd replacement shell (1966-chassis #BB22FJ97257) in December 1999.

This Anglia Super has raced over a span of 30+ years and although re-shelled, now 2 times, has basically the same equipment used in 1967, the same owner and driver. This Anglia won the Edelbrock SVRA Group I Championship, in 2002 and 2011, over 100 other Group I competitors. The Anglia was featured in the "100th Anniversary of Ford Racing" held in Greenfield Village, Detroit in October 2001.

Equipment includes - 1300cc Kent motor with Holbay head and Lucas slide injection, producing 145 HP; 4 speed close ratio Lotus/Cortina transmission; full floating axels with clutch type differential; disc brakes on the front, drum brakes on the rear; adjustable front and rear suspension. The engine

was built by Savannah Race Engineering.

Collection was featured in the Jan/Feb '21 Vintage Motorsport Magazine, article titled, "Bremer Garage".

The car will be sold on a bill of sale, no title, not for street use.

- WE SELL WORLDWIDE -

DEALER POLICIES: Please review all photos carefully and ask questions prior to making an offer if there is anything you are not sure about. We welcome pre-sale inspections. Any descriptions we make of vehicles shall not be construed as any type of warranty. Our pictures are as thorough and precise as we can make them. Please be advised that this is not a brand new vehicle. It is a pre-owned vehicle and has previously been driven, so therefore with respect to the miles there will most likely be average wear and tear, such as minor scratches, minor dings, or small rock chips. We do our best to disclose any substantial blemishes in our photos and descriptions. If our vehicles include manuals, service records or extra sets of keys, it will be shown in the pictures and noted in the description. The advertised mileage is a round number and may vary slightly from the exact mileage due to demo and test drives. Once a vehicle leaves our premises, no refunds, credits, or adjustments, will be issued. All Vehicles are conveyed AS-IS. Dealer neither makes nor implies any warranty on this or any vehicle. Any dispute that may arise shall take place under the laws of the state of Florida, in the state of Florida and all sales are subject to binding Arbitration under the rules of the American Arbitration Association. All applicable sales tax, tag and title fees apply. When we receive a vehicle into our inventory, sometimes the title is being held by a bank or lender as collateral for the previous loan or payoff. Occasionally there is a delay in receiving the title from these lending institutions after payoff of the loan for up to two weeks. While we usually have the titles in our possession, there are instances where we may be waiting for the title to arrive. We guarantee clean titles on our vehicles unless otherwise noted. In some cases we may hold titles until cashiers checks or other funds are cleared or unless other arrangements were agreed upon. Titles will be sent via Fedex for proper tracking.
