Thank you for looking at our 2002 Porsche 911 C4 Turbo. Please also see the Youtube videos of this car. This fine automobile is an absolute joy to drive. I would keep this car if I did not have other investment opportunities looming. This car is not perfect but it is extremely nice. I envision this car being someones other car. The fun car you drive to the office on Friday, to a special dinner or a Saturday morning youth soccer game. The Guards Red paint and Savannah Beige interior are timeless. The interior carbon fiber package is in great condition with the exception of the plastic overlay laminate on the steering wheel (cracked) and the front top carbon trim just behind the windshield (sun damaged). More to come.
