Vehicle Description

It's Florida, so get out in the sun and have some fun! Spring, Summer, Fall, and Winter... in Florida...everyday is a good day for an adventure. Enjoy a type of fun only realized spending time with the family outside and the roar of a gas powered fun machine.

This large bodied, streamlined youth dirt bike is powered by a dependable 4 stroke, 150cc motor. This bike doesn't require you to mix the gas and oil. This Viper has the aggressive, competitive look, both new and experienced riders are looking for. It comes equipped with fully adjustable inverted forks and adjustable mono-shock rear suspension. The body work is made of heavy duty ABS plastic; resistant to bending or denting. The styling and improved engine design will ensure a ride that is a cut above.

This 150cc Dirt Bike is lightweight and low maintenance, making it perfect for casual yard, field, and trail riding. Emphasizing safety and consideration, this youth dirt bike is equipped with the most helpful safety features available. This high quality Dirt Bike will provide an abundance of fun & memories!
