## Vehicle Description

AutoPark Dallas is thrilled to offer you this Powerhouse 2004 Dodge Viper SRT-10 for sale! The Insanity of the Viper is a wonderful piece of Dodge history that can be widely appreciated as a sports car that demonstrated how aggressive a V10 can be. Stock alone they pushed an astonishing 505hp with 525lb of torque that could easily burn rubber! Our beautifully specimen here at APD though, holds true to most of the Viper roots aside from the exception of a few goodies such as the Belanger Headers that help an already loud ride be even louder! Even greatly cared for as the mileage is low and the overall condition is amazing for the age! If you're searching for a fun weekend warrior or a great show car, then look no further than our Dodge Viper parked here in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!
