Make:	Daix
Stock:	MT0000
Model/Trim:	Fit 50 Scooter 49cc
Condition:	New
Engine:	49 cc
Exterior:	Black
Mileage:	0

Vehicle Description

Easy, convenient and reliable. All very important aspects to consider if you are trying to decide on a new mode of transportation. Who needs all the hassle of mixing gas and oil just to get around town? Oh, you neither? Yea, we like easy too. That's why we like the QT6. The 49cc, two-stroke engine makes the QT6 as easy as it gets. Two-stroke means no mixing oil and gas. Just drive up to the pump, fill her up, and away you go. 49cc means NO MOTORCYCLE ENDORSEMENT REQUIRED!

FULLY AUTOMATIC! No shifting gears. Just point the QT6 in the direction you want to travel, twist the throttle, and enjoy the ride.

The QT6 is a GREAT space saver. You can park in the tightest spots without compromising storage space. The QT6 comes with a factory matched rear storage box, 2 bag hooks and a glove compartment.

You'll save on gas, that's for sure. The QT6 will get over 100 MPG so less time and money spent at the pump.

The QT6 is everything you want in a small scooter. Plenty of power to get you around town yet NO Motorcycle Endorsement Required. Over 100 MPG and NO need to mix oil and gas. Small body style for easy maneuverability yet no compromise in amenities. Oh and did I mention every new QT6 comes with a FULL MANUFACTURER WARRANTY! Oh yeah, the QT6 is a great scooter all the way around!

NO Insurance Needed

Air Cooled

Alloy Rims

Electric & Kick Start

4-Stroke

Front Brakes: Disc

Rear Brakes: Drum

Tires: 10"Min

As always remember to buy from a DMV licensed dealership. Just because scooters are on the lot, does not mean that the company is held to the same standards and guidelines. Most importantly, non-licensed leaders do not have a \$10,000.00 Dealer Bond on the line in the event they fail to provide you with PROPER WARRANTY WORK.
