MONTANA MOTOR MALL MAKES EVERY EFFORT TO BE AS TRANSPARENT AS POSSIBLE WHEN OFFERING INFORMATION ABOUT THE INVENTORY ON OUR SITE. WE WILL DISCLOSE WHAT WE KNOW AND WHAT WE HAVE LEARNED REGARDING EACH VEHICLE, WHETHER IT IS PAINTWORK, PERFORMANCE ENHANCING EQUIPMENT OR ALTERED EXHAUST / EMISSIONS. At our dealership we work very hard to accurately describe our vehicles through text descriptions and elaborate photos. We hand select each vehicle we put on eBay. The vehicle shown is ALWAYS the vehicle being sold.

Please look over the photos carefully as they are part of the description. When you purchase any pre-owned vehicle it is not a new vehicle. Any pre-owned vehicle can/will have normal wear, which may include, but not limited to, rock chips, scratches, scuffs, and minor interior wear, our policy is to disclose anything beyond that and we encourage pre-purchase inspections.

We encourage pre-purchase inspections.

When fresh inventory arrives, we do our best to inspect all power options, DVD systems, audio equipment, NAV systems, etc., however AAB will not be held liable or responsible for any of these items.

We will check for and disclose paint work found on any vehicle, but keep in mind - this is an imperfect science. Please bear in mind that often truck owners may choose to alter factory emissions and/or exhaust to enhance performance or fuel economy. We often do acquire trucks that have these performance enhancing equipment already installed. This equipment may alter original emissions equipment or void factory warranties. We do not test or alter this equipment. If this is a concern of yours, please exercise your right to have a pre-purchase inspection prior to leaving your deposit.

Our sales staff is available to assist in answering any specific cosmetic questions and will gladly walk around a vehicle to give you a more accurate description.

BEFORE a deposit is left. Ultimately, it is up to the potential buyer to do their due diligence.

Montana Motor Mall does not want to hide anything and we encourage everyone to have a pre-buyer's inspection done before purchase.
