With its versatile interior design, excellent handling, and its great performance, this is your chance to own this 2017 Ford Transit Connect XL! This is a local, perfect carfax, non-smokers van, that runs and drives perfect, and looks even better! I cannot over describe how brand new this van truly is, inside and out, seriously it is that new! The people bought it for their business and just never really used it like they thought they would, so they traded it to me for truck for the manager to ride in, thats all he did was ride in this one, the inside of cargo area looks like it has never had anything in the back of it. It has lots of factory warranty remaining so you can buy with confidence! To be able to find one of these great utility vans, with a perfect carfax, factory warranty, this clean, this new, at this great price, is a deal, and keep in mind i dont charge anything extra, no doc or dealer fee's, nothing!

Please feel free to give me a call to further discuss your interest in this 2017 Ford Transit Connect XL!
