This 1974 Land Cruiser FJ40 was imported to the US under previous ownership and is powered by a 3.9-liter F inline-six linked with a four-speed manual transmission and a dual-range transfer case. The truck is finished in blue over black cloth and vinyl upholstery and features 17??? steel wheels, manually locking front hubs, a black soft top, and a cabin heater. The truck was refurbished under previous ownership and was acquired by the selling dealer in 2021. Recent service reportedly includes the replacement of the valve cover gasket, intake manifold gasket, fuel sensor, steering box, and parking brake cable. The interior features replacement front bucket seats trimmed in black cloth upholstery with lighter inserts as well as a rear bench seat upholstered in black vinyl. Equipment includes a roll bar, an aftermarket center console with cup holders, a passenger grab bar, and a cabin heater.
