Vehicle Description

AutoPark Dallas is thrilled to offer you this Beastly Cammed 2013 Ford Mustang GT with Upgrades for sale! American made muscle with over 50+ years of production, its at this point in time that practically every age group knows what a Ford Mustang is! Each Generation of Mustang has something that makes it more appealing to the crowds and with our 2013 Mustang here at APD being the 5th generation, there were many things that made this generation the most popular! The biggest appeal though, was the roots the 5th generation held onto with the exterior body that still gave that aggressive pony look that everybody loved from past! If you are looking for a Mustang, then come give this amazing piece of American Muscle a look as this pony is parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!

The team here at AutoPark Dallas, is dedicated to offering a level of customer service not usually found in the automobile industry. Thanks to years of extensive car buying / selling experience, we pursue quality used and new vehicles that are hand-picked from factory sources. Our love for automobiles and dislike of traditional dealership tactics is what motivates us to provide the service we do! The pride we take in continuing this service long after the vehicle has been delivered is what we strive for! Looking forward to making every effort to see that our customer is completely satisfied and a friend for life!

Pre-purchase inspections are always welcomed!
