Vehicle Description

1996 Dodge Ram 2500 5.9 12 Valve Cummins Turbo Diesel 4x4 5 Speed Manual Transmission Club Cab. Here we have Blackout, this 2 owner rig came to us from Tennessee. The exterior black paint is very shiny and glossy and looks great from every angle and comes with near new 4 matching Hankook Dynapro Tires, class 3 hitch with power port as well as a gooseneck setup. The cloth interior is in good shape as well with no rips or tears and has no foul odors, all power functions work as they should including cold AC. The 12 valve in this beauty still runs out like a champ with no blow by and fires up at the bump of the key, the 5 speed tranny shifts nice and smooth and goes into all gears nice and easy and the 4x4 engages just as smoothly as well. This 12 valve at its current miles isn't even broke in yet and is ready to go! We are a CarFax certified dealer so buy with confidence.
