World Class Motorcars of St Louis MO is offering a tremendous opportunity to own a like new Tesla Model S for less than half the original price. This is a 2015 Model S with only 6377k miles. This one owner beauty is finished in Navy Blue Metallic with black leather. It was ordered special by the owner with a ton of options. This car started out at just over 100k MSRP. This is why I say not all Teslas are created equal. In addition to the extra cost paint, the car features an all glass panoramic sunroof, 21" turbine wheels, Next Generation leather seats, Carbon fiber interior accent decor, Alcantara Headliner, Carbon fiber spoiler, dual chargers, a wall connector, Technology

package with autopilot smart air suspension, Premium Interior package, Ultra High Fidelity sound Subzero weather package, and rear facing seats that make this car a 7 passenger vehicle. I have just listed over \$32k in options that most of these do not have. Original window sticker was \$136720. This car has also had Tesla upgraded Ludicrous mode software installed at a cost of \$10k On top of all the factory options the original owner had the entire exterior protected with Ceramic Pro 9H ceramic coating including the wheels and brake calipers This is an additional \$2k option You can own this car for less than half of the original Price. The car still carries the balance of the manufacturer's warranty and costs pennies to drive

VEHICLE CONDITION

This car is in like new condition with only 6300 miles The paint and body panels are all factory original and the vehicle is 100% Carfax Certified. The balance of the 8yr 80k miles warranty is still in effect so you will have years of trouble free driving
