This truck has not been driven Off-Road or been stump jumping! The undercarriage is as clean as the rest of the truck. Absolutely zero rust. We just had a complete service/safety inspection performed by our local ASE Certified shop. We have these invoices showing what was done and giving it a clean bill of health. The tires have about 85% of the tread remaining. There are not any warning/hazard

indicator lights illuminated in the dash! All options and equipment work properly as they should! The cosmetic condition is as clean as it appears from the pictures. There are not any dents, dings or scratches to speak of! The interior is equally as nice not having ever been smoked in! There are not your typical rips, tears or stains! *Overall this truck is in exceptional condition overall that has had a ton of money spent on it already, which is yours to gain. Call directly at 706-294-3431! This truck needs absolutely nothing but new home!*
