Vehicle Description

2001 Dodge Ram 3500 SLT Laramie 24 Valve 5.9 Cummins Turbo Diesel Quad Cab 4x4. New to the barn we have Silver Spur, a local purchase from a gentleman who really took pride in ownership on this rig. This truck started its life in New Mexico then jumped over to North Carolina before moving to Florida. The silver paint on this rig is just fantastic and shines really bright, 4 New Bilstein shocks all the way around, 6 Brand spanking new Toyo Open Country A/T'S, Line X spray in bed liner with gooseneck hitch set up, class 3 rear bumper hitch with power port. The interior matches the exterior in superb shape with no foul odors, all seating is in great shape with no rips or holes as well as the carpet, upgraded pillar gauges, stock sound system and window tint as well as rain guards on the driver and passenger windows. This rig sitting at 209k is still a super strong rig that fires up at the bump of a key, no blow by and the transmission shifts very smooth and shifts on point and the 4x4 engages nice and smooth.
