Vehicle Description

AutoPark Dallas is thrilled to offer you this Bellanova White Pearl 2013 Acura TSX Sport Tech Package for sale! The beauty in Acura's TSX is the 'anonymity' aspect it provides, as not many know the capabilities that these unique looking sporty wagons can produce. They easily demonstrate that 201 horses are more than enough to glide you through traffic and while making you feel confident in the performance this Acura can provide. Our Acura TSX here at APD does stand above you regular wagon though, as it is equipped with the Technology Package model (a HUGE plus) that gives all the Tech bells-n-whistles that we consumers have grown to love. If your looking for a reliable daily driver or just a sick Acura Wagon, then do not hesitate to come check out this TSX Sport Wagon Tech parked in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!
