### JUST ARRIVED!

This 2015 Hyundai Genesis is the model of luxury driving. If a BMW, Mercedes or Audi had this much equipment and comfort it would easily be a \$100k vehicle. Hyundai put the luxury car market on notice with the Genesis. Giving the buying public every option they want at a fraction of the cost. You simply must drive this car to believe it. These vehicles aren't the easiest to find. Mostly, it's because their owners are still enjoying them. But here at Schneck Motor Company we've got it!

This Genesis is equipped with the Technology Package that everyone wants. **DO NOT MISS THIS DEAL!** You can stop looking - you've found it!

Remember that we do things differently at Schneck Motor Company. Many say it - few do it. We really are a "wholesale to the public" kind of dealership. No fancy lattes or bottled waters - just great deals on great cars.

If you have any questions about this or any of our other vehicles that you've found online - please don't hesitate to call or text Jody Kirk - **IMMEDIATELY** - at 817-403-5482. There are three of us selling about 100 vehicles a month so if you can't reach us right away please leave a message or try us back as soon as you can.

Have a Trade-In? Great!

Need Financing? We can handle that too!

Just want to sell us your car? We do that as well!

It just doesn't get any easier than the way we do things at Schneck Motor Company.
