Converted 2000 Ford E150 van modified into a camper by the Grand Touring Recreational Vehicle company in Vancouver BC. Now called a Westie. This conversion has all the amenities for camping in one compact unit. The pop up top makes standing room and sleeps 4. The electric fridge keeps your food and drinks cold and ready to go. Using the built in furnace or the A/C will make the inside comfortable in all seasons. Florida owned since built means the undercarriage is free of the rust from salty roads of the North.
