OK Y'all! Here it is!!! 55' Chevy Truck With the Patina rust. It is OLD and it looks OLD! The rust on it is just surface rust and not all ate thru the metal. This truck runs, rides, and drives a hell of a lot better than it looks like it should. Big V8 and it will flat squeel the tires. If you are that person looking for a Vintage truck with the rusty look... this is the truck for you!!!
