*TEXAS TRUCK!*

This is a Good ol Truck! It will make someone a great driver. It is a 2-Owner with a CLEAN CARFAX. We just had the truck serviced. Some bushing replaced. New Windshield installed. Really the only thing wrong mechanically with the truck is the tire pressure light is on. Cosmetically it has a couple minor dings/scratches here & there (nothing that would deter you on a 135k mile truck; in my opinion). We have both keys; including one keyfob and all of the owners manuals.
