BAD TO THE BONE!

This is a very nice and well-maintained RC350. This vehicle is exceptional in mechanical and cosmetic aspects. As far as we can tell, there has been no paint or bodywork done on this car. We have both master keyfobs, all of the owners manuals, even the original window sticker. This Lexus has a CLEAN CARFAX and has spent its entire life in Texas. We just had the vehicle serviced. New front brakes (pads and rotors), 4 Wheel Alignment. The tires are thick. It is ready to go!

My favorite part is when you turn the dial to Sport Mode or even Sport+ Mode. This Baby Comes ALIVE!
