We are proud to offer you this 2011 Audi TT 2.0T Premium Plus for sale!

This Audi TT is one of the few examples of a car built for the true sports car enthusiast! Kept fully stock, this Audi rolled off the showroom floor in 2011 ready for the back roads, and nothing has changed since. The turbocharged 2.0-liter engine in this roadster produces 211 horsepower and 258 lb-ft of torque, all of which is sent through Audi's patent Quattro all-wheel drive system. In other words, this car is perfectly powerful, precisely quick, and uniquely brilliant in every way fathomable, as it should be.

To us, what's outside the hood is just as important as what's inside it, and this exquisite Audi TT is no exception. This specific Audi has a power removable top, plush cloth seats and leather interior trimmings, and a touchscreen navigation system complete with a rear camera and phone connectivity. Sitting on 18" alloy wheels with Michelin Sport tires, this Audi TT is a brilliant driving machine inside and out, and it would make the perfect addition to any driveway as a weekend car or a fun daily driver.
