## Vehicle Description

AutoPark Dallas is thrilled to offer you this Beautiful Midnight Black 2012 Jaguar XJL Portfolio for sale! Jaguar had one of the biggest changes ever in body style between the latest generations that really showed growth in the company's goal of luxury style with a driving experience that follows. The XJL Portfolio is the largest luxury sedan that Jaguar has to offer and that means all the bells-n-whistles are the latest and greatest, while not forgetting that previous statement of agile cornering and sportier / luxurious looks. Our XJL here at APD is powered by the large 5.0L V8 Engine that puts down 385 horses with ease! Even while in sport mode this luxury sedan doesn't act like its weight class, handling with a more natural feeling than its competitors. If you are in search of your next luxury sedan or wanting to upgrade into a Jaguar, then look no further than our XJL Portfolio parked here in our indoor 16,000 Sq Ft Showroom located in Dallas , Texas amongst our inventory of 100+ other Performance / Modified and Luxury cars!
